

Other Discussion Topics 01-28-2026

Hi Bob; Sorry I am just now getting caught up. So our meeting this week is cancelled and our meeting next week will be at 11:00 EST.

Do you have an agenda for the meeting? There are a couple of topics I would like to discuss.

1. Membership Status (Definitions & Clarification)
2. Ghost Records (1/3 of our records in Constituents File)
3. PLF Financial Accounting (Do we even need to do it in LGL? Are Mark and Margaret doing it in Quickbooks?)
4. Database Schema (Database Normalization)
5. Data Dictionary (What are our Data Elements and their Values)
6. Database Cleanup Script (Bob & Rene)

Do we have a Google Workspace for the Group? I can put something together reference these items (above) if you like or if there are other topics you wish to discuss - just let me know.

Beau thinks I should get the computer this week. I will try to set it up for next week's meeting.

Thanks,

René
